VEHICLE DIAGNOSTICS WOW! DIALOOQ

STRONG DIAGNOSTIC PERFORMANCE

Powerful multi-brand diagnostics offer you a high vehicle brand variety, proven diagnostic functions as well as extensive technical data for cars and vans. For all **VEHICLE EXPERTS** and diagnostic specialists who want to work independently, efficiently and more economically.

Further information about
WOW! vehicle diagnostics is available at
www.wow-portal.com/diagnostics

WOW! DIALOOQ HIGHLIGHT FUNCTIONS

Power search is our answer to almost all your questions in your daily workshop business.

Instead of a long search, you can use the integrated power search to find everything you need for a quick and accurate diagnosis.

Quickly identify temporary errors. Mobile data recording can be that easy.

The flight recorder enables the recording of real-time data from the control units while driving by simply pressing a button on the diagnostic interface.

Available systems per vehicle at a glance.

Use the function scan to see which systems are supported on the selected vehicle in just a few minutes.

More power for diagnostics with the Power Scan.

With the Power Scan, you can quickly read out all control units at the touch of a button.

Your key to successful diagnostics on Security Gateway protected vehicles.

Access to the Security Gateway Portal (SGP) via the software enables you to work on vehicles whose communication or individual functions are blocked by a Security Gateway.

The vehicle diagnostics that adapt to the way you work.

You know best how you prefer to click through the software. Whether you use the tried-and-tested module structure or the search bar, there are many different ways to reach your goal.

Managing customer data can be that easy.

With the customer memory module, we offer you an ideal tool for efficient customer retention and centralized management of the data.

View the 10 most popular functions per vehicle.

Use the collective intelligence of all WOW! users and benefit from the shared experience of which tasks are frequently carried out on the selected vehicle.

The fastest way to get the malfunction off the road and into the workshop.

With Power Repair, the error codes read out are enriched and supplemented with targeted information such as reference values, possible causes, confirmed repair instructions and component testing.

DIAGNOSTICS INTERFACES

WOW! LOOQER

Art. no. W072 003 000

- With integrated CAN-FD, DoIP and Pass Thru
- Bluetooth technologie version v4.2 and WiFi function
- Weight: 0,132 kg
- Dimensions: 127 x 51 x 28 mm (L x W x H)
- Data backup without input device on internal memory

Scope of delivery:

Diagnostics interface LOOQER, detachable extension cable with light, hook clip and suction cup, USB stick, USB flash drive, quick reference guide in stable system case

THE MODERN PROBLEM SOLVER

THE RELIABLE PROBLEM SOLVER

WOW! SNOOPER+

Art. no. W072 700 100

- With integrated CAN, DoIP only possible via additional adapter
- Bluetooth technologie version 2.1
- Weight: 0,48 kg
- Dimensions: 180 x 85 x 30 mm (L x W x H)

Scope of delivery:

Diagnostics interface Snoopert+, exchangeable extension cable with light, USB cable, quick reference guide, in stable system case

INPUT DEVICE

DIALOOQ C15 (CONVERTIBLE)

Art. no. W072 150 4XX
(depending on country)

Laptop for flexible work on the vehicle

Fitting for this:

Stable system case with molded foam
(Art. no. W043 150 490)

A WOW! diagnostic interface and a valid software package are required for operational diagnostics.

**THE FLEXIBLE 2-IN-1
ALL-ROUNDER**

DIALOOQ L40 (LAPTOP)

Art. no. W037 400 2XX
(depending on country)

Robust laptop for working in the workshop

Fitting for this:

Stable system case with molded foam
(Art. Nr. W070 200 403)

A WOW! diagnostic interface and a valid software package are required for operational diagnostics.

**THE ROBUST &
RELIABLE
COMPANION**

**Available in
Spring 2025**

OSCILLOSCOPE

OSCILLOSCOPE WOW! SCOPE

The digital oscilloscopes with 2 or 4 channels allow you to measure signals and quantities on electrical components in the vehicle. The fast and efficient diagnosis helps you as a workshop professional to gain a better understanding of the functioning of vehicle systems.

4-Channel WOW! Scope Starter Kit in box
Art. no. W070 500 400

4-Channel WOW! Scope Standard Kit in case
Art. no. W070 501 400

4-Channel WOW! Scope Advanced Kit in case
Art. no. W070 502 400

2-Channel WOW! Scope Starter Kit in box
Art. no. W070 500 200

2-Channel WOW! Scope Standard Kit in case
Art. no. W070 501 200

WOW! KNOW-HOW

All hardware systems of WOW!
 meet the system requirements
 for the WOW! diagnostic software
LOOQIT.

To the system requirements
www.wow-portal.com/software-requirements

ELECTRO-MOBILITY WITH WOW!

WOW! diagnostics and air conditioning service systems provide you with everything you need as a VEHICLE EXPERT in the field of e-mobility.

Profitable work on high-voltage vehicles with the **WOW! DIAL00Q diagnostic system**

- Coverage of 320+ different vehicle models from 38+ manufacturers in the high-voltage range*
- Tesla as a manufacturer with the Model S [2012-] and Model X [2015-]
- Increasing vehicle coverage with each software update
- „High voltage / hybrid“ button for rapid detection of a possible battery electric vehicle (BEV) or hybrid vehicle
- Battery status test
- Diagnostic activation and reactivation process: Diagnostic disconnection and connection of the high-voltage system
- The highlight function „Flight recorder“ enables monitoring and testing of the electric drivetrain while driving

Keep your cool about A/C services with the **WOW! COOLIUS A/C service systems**

- Ready for hybrid and electric vehicles
- Ready for thermal management systems (for COOLIUS C20 and the Y-series)
- Permanent leak monitoring and ~ 100 % refrigerant recovery with maximum efficiency (for the COOLIUS A- and Y-series)

Further information about E-Mobility is available at www.wow-portal.com/emobility

* Status January 2025

CALIBRATION SYSTEM WOW! ACS CARS

Efficiency is a matter of the right adjustment. The modular calibration system for testing and adjusting driver assistance systems provides your workshop additional performance boost in the demanding daily workshop routine.

**ALL ACCORDING TO MANUFACTURER'S REQUIREMENTS
AND FOR ALL RELEVANT VEHICLE BRANDS.**

Further information about the
WOW! calibration system is available at
www.wow-portal.com/acs_cars_en

CALIBRATION TOOL

WOW! ACS CARS INCL. WHEEL CLAMPS

Art. no. W074 200 000

Scope of delivery:

- Powder-coated, height-adjustable, spring-balanced calibration board carrier (1.0 m to 1.85 m) respectively trolley with manoeuvring wheels, handle and knurled screw
- Height adjustable and separable laser carrier (0.27 m to 1.0 m) with additional fine adjustment with two mounted laser pointers
- Measuring scale for height adjustment of calibration board holder and laser carrier
- Two self-centered four point-wheel clamps (for 11 - 25 inch wheel)

Metal box with following equipment:

line laser, measuring tape, two mirror /coil units and measuring tape holders

Metal box with equipment only for Art. no. W074 200 000 included.

** Knurled screws also included with Hunter variant.

WOW! ACS CARS HUNTER

Art. no. W074 200 001

Scope of delivery:

- Powder-coated, height-adjustable, spring-balanced calibration board holder (1.0 m to 1.85 m) or trolley with manoeuvring wheels, handle and knurled screw
- Height-adjustable and divisible crossbar with matching mount for Hunter ADAS kit*
- Measuring scale for height adjustment of calibration board holder and laser carrier
- 8 white and 8 black thumbscrews
- 1 measuring tape

* Hunter ADAS kit must be purchased separately through your Hunter distributor.

Image includes optional add-ons. Calibration boards are not included in the basic scope of delivery.

DOUBLE-SIDED PRINTED CALIBRATION BOARD

TFC-1 + TFC-2

Art. no. W074 210 000

Double-sided printed

TFC-1

TFC-2

TFC-5 + TFC-6

Art. no. W074 210 002

Double-sided printed

TFC-5

TFC-6

TFC-13 + TFC-14

Art. no. W074 210 006

Double-sided printed

TFC-13

TFC-14

TFC-3 + TFC-4

Art. no. W074 210 009

Double-sided printed

TFC-3 GEN2

TFC-4

TFC-7 + TFC-8

Art. no. W074 210 003

Two boards separated and double-sided printed

TFC-7

TFC-8

TFC-20 + TFC-21

Art. no. W074 210 011

Double-sided printed

TFC-20

TFC-21

TFC-22 + TFC-13

Art. no. W074 210 012

Double-sided printed

TFC-22

TFC-13

Allocation of the vehicle models:

- TFC-1: Audi, Cupra, Porsche, Seat, Škoda, VW
- TFC-2: Mercedes
- TFC-3: Renault
- TFC-4: Citroën, DS Automobiles, Fiat, Opel, Peugeot, Toyota, Vauxhall
- TFC-5: Alfa Romeo, Fiat, Hyundai, Jeep, KIA
- TFC-6: Alfa Romeo
- TFC-7: Mercedes, Nissan
- TFC-8: Mazda 2
- TFC-9: Mazda
- TFC-10: Mitsubishi
- TFC-11: Lexus, Mazda 2, Suzuki, Toyota
- TFC-12: Toyota
- TFC-13: Nissan
- TFC-14: Hyundai Typ 1
- TFC-15: Honda Typ 1+2
- TFC-16: Honda
- TFC-17: Hyundai Santa Fe, KIA
- TFC-20: Suzuki
- TFC-21: Isuzu
- TFC-22: Toyota

Can only be used in combination with adjustment rails:

TFC-9 + TFC-10

Art. no. W074 210 004

Two boards separated and double-sided printed

TFC-9

TFC-10

TFC-11 + TFC-12

Art. no. W074 210 005

One board double-sided printed

TFC-11

TFC-12

TFC-15 + TFC-16/17

Art. no. W074 210 007

Two boards separated and double-sided printed

TFC-15

TFC-16

TFC-17

WOW! ACS CARS ACCESSORIES

Calibration mats TRV-1

Art. no. W074 203 000

For calibration of the rear view camera for vehicles of the Volkswagen Group.

Calibration mats TRV-2

Art. no. W074 203 001

For calibration of the rear view camera for Mercedes-Benz vehicles.

Calibration mats TAV-1

Art. no. W074 202 000

Manufacturer-specific calibration mats for exact calibration of 360° surround view camera systems in vehicles of the Volkswagen Group.

Cover

Art. no. W074 214 001

For optimal protection and long service life of the WOW! ACS cars calibration system.

Adjustment rails

Art. no. W074 210 008

For holding the calibration boards Mitsubishi and Mazda, Toyota 1 + 2, Honda 1 + 2 and Kia/Hyundai.

Scope of delivery:

two rails, one printed with dimensions

Radar-Kit TFR-2

Art. no. W074 211 001

Static adjustment of radar systems from, among others, Volkswagen, Audi, Seat, Skoda, BMW, FCA and Nissan models.

Scope of delivery:

reflector plate, holding device and distance laser

Calibration aids Volvo

Camera – Art. no. W074 210 010

Radar – Art. no. W074 211 003

Adjustment aids for various Volvo front camera systems and radar sensors.

Radar head socket wrench

Art. no. W074 211 004

The adjusting tool enables you to adjust the radar head of the Adaptive Cruise Control (ACC) on vehicles of the Volkswagen Group.

Case for measuring tools*

Art. no. W074 214 000

For storage and the protection of the WOW! ACS cars accessories. (Art. no. W074 200 000).

* Content not included.

A/C SERVICE WOW! COOLIUS

Economically and ecologically beneficial. The air conditioning service systems for all common refrigerants take care of the air conditioning service on customer vehicles for you in no time at all.

FULLY AUTOMATIC, TIME-SAVING AND THEREFORE VERY ECONOMICAL AND ENVIRONMENTALLY FRIENDLY.

Further information about the WOW! COOLIUS
A/C service systems is available at
www.wow-portal.com/en/coolius

WOW! COOLIUS A/C SERVICE SYSTEMS

COOLIUS C20

Art. no. W050 122 000

Fully automatic, time-saving system for small-volume thermal management systems with the refrigerant R744.

COOLIUS C40

Art. no. W050 140 000

The big brother of the C20 for large-volume R744 thermal management systems.

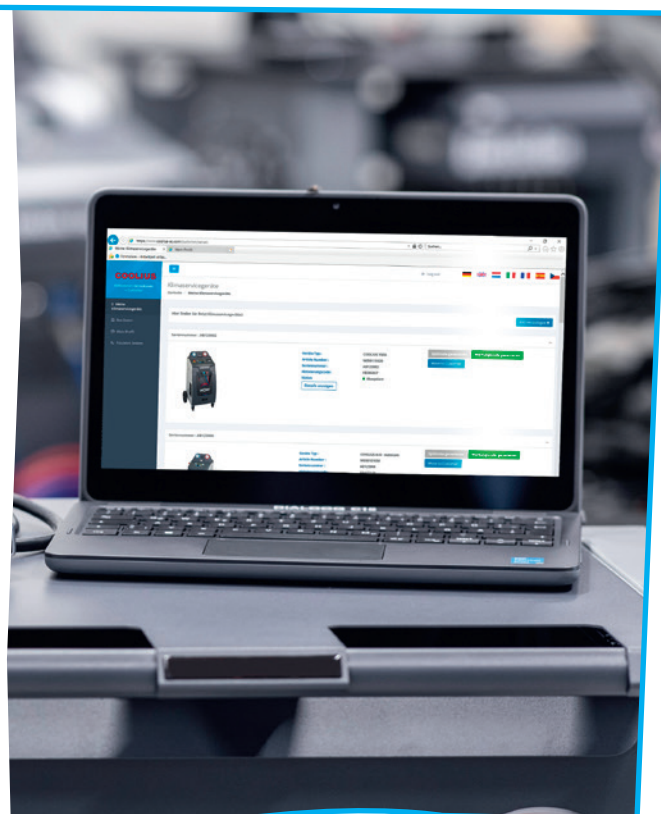

WOW! KNOW-HOW

THE COOLIUS PORTAL IS A USEFUL DEVICE PLATFORM FOR AN OVERVIEW OF YOUR A/C SERVICE SYSTEMS

For the registered air conditioning service systems, all important information is available:

- Instruction manual
- Firmware and software updates
- Certification documents
- Vehicle database
- Available spare parts

WOW! COOLIUS A/C SERVICE SYSTEMS

COOLIUS A10

Art. no. W050 101 000

For refrigerant R134a

COOLIUS Y10

Art. no. W050 111 000

For refrigerant R1234yf

**THE MOBILE AND
COMPACT COMPANIONS**

COOLIUS A30

Art. no. W050 103 000

For refrigerant R134a

For large-volume systems,
with additional refrigerant
pump.

**THE BIG
BROTHER
FOR LARGE
SYSTEMS**

WOW! COOLIUS A/C SERVICE SYSTEMS

COOLIUS A50

Art. no. W050 105 000

For refrigerant R134a

With integrated function for nitrogen and forming gas test.

COOLIUS Y50

Art. no. W050 115 000

For refrigerant R1234yf

With integrated function for nitrogen and forming gas test.

THE ALL-ROUND CAREFREE SYSTEMS

COOLIUS Y50A

Art. no. W050 115 020

For refrigerant R1234yf

With integrated function for nitrogen and forming gas test.

SERVICE FROM THE MANUFACTURER*

- From the initial instruction regular maintenance, right through to repairs.
- We maintain, check and repair **all devices from any manufacturers and brands.**

* The different services are only available in selected countries.
