### WOW! ACS CARS HUNTER

The best of two worlds:  
WOW! and Hunter for faster calibration  
with Hunter wheel alignment.

# WOW! ACS CARS BASIC CARRIER SYSTEM HUNTER

Calibrate advanced driver assistance systems with WOW! ACS cars and Hunter wheel alignment quickly, easily and profitably!

## WOW! ACS cars basic carrier system Hunter\* Art. no. W074 200 001

### Consisting of:

- Powder-coated, height-adjustable, spring-balanced calibration board holder (1.0 m to 1.85 m) or trolley with manoeuvring wheels, handle and knurled screw
- Height-adjustable and divisible crossbar with matching mount for Hunter ADAS kit\*\*
- Measuring scale for height adjustment of calibration board holder and laser carrier
- 8 white and 8 black thumbscrews
- 1 measuring tape

\* Basic scope of delivery does not include double-sided printed calibration boards

\*\* Hunter ADAS kit must be purchased separately through your Hunter distributor.

For the functional vehicle calibration, a WOW! diagnostic interface including a valid software license is required. With the WOW! DIALOOQ vehicle diagnostics, you always remain at the optimal state of the art, including through the WOW! Security Gateway Portal (SGP).
