PRODUCT INFORMATION
WOW! DIAGNOSTIC SYSTEM IQ 150 GEN 39

Highlights iQ 150

Ultra-flexible diagnostic system that can be used as a tablet or laptop. Thanks to its gorilla glass and rubberised underside, the iQ 150 offers workshop-suitable robustness. The ideal everyday partner for each of your diagnostic sessions!

WOW! iQ Systems - Plug in and read out errors

Diagnostic system iQ 150 (order no. W072150201) consisting of:

- mobile notebook/tablet (convertible) for flexible working on the vehicle
- wireless diagnostic interface Snooper+ with Bluetooth connection (alternatively possible via USB)
- robust system case

For functional diagnostics, the WOW! Diagnostic Software WSD 300 is required (order no. W015 000 007). We recommend the WOW! Power package consisting of WSD 300 and WTI 350 - for full access to Power Repair and further WOW! Software Highlights. Please be aware that the license packages are dependent on the respective distribution countries and are therefore not everywhere available. **Further information is available at www.wow-portal.com or directly from your WOW! sales representative.**

Features

Workshop-oriented flexibility:

- Fast processor
- SSD hard disk
- Large main memory
- Can be used as laptop or tablet
- Touch screen with scratch-resistant gorilla glass
- Fall-proof (up to 75 cm) due to rubberised underside
- Bluetooth and WLAN enable spatially unlimited working
