#VEHICLE  
EXPERTEERS

### DIALOOQ C15 GEN47

Ultra-flexible diagnostic system,  
which can be used as a tablet or laptop.

# WOW! DIALOOQ C15 GEN47

## Laptop? Tablet? Or just C15!

### Diagnostic system DIALOOQ C15 GEN47

(Art. no. W072 150 **6XX** depending on country)

#### consisting of:

- Laptop (convertible) for flexible work on the vehicle
- Wireless diagnostic interface LOOQER including OBD extension cable with one LED
- Stable system case with molded foam

For the functional diagnosis an active WOW! LOOQIT software license is required. With the WOW! Vehicle Diagnostic, you always remain at the optimal state of the technology, among other things through the WOW! Security Gateway Portal (SGP). The full use of the WOW! Software is only possible with a valid software package.

We recommend the Expert Data Assist software package – for full access to Power Repair and a flat rate for additional unlimited hotline support\*.

Further information is available at  
[www.wow-portal.com/diagnostics](http://www.wow-portal.com/diagnostics)  
 or directly from your Würth  
 or WOW! contact person.
