# WOW! DIAGNOSTIC SYSTEM DIALOOQ L40 GEN45

## Robust and powerful laptop

### Diagnostic system DIALOOQ L40 GEN45

**Art.-no. W072 400 XXX**

(Depending on country, overview see page 3.)

#### consisting of:

- Basic unit laptop L40
- Wireless diagnostic interface LOOQER including OBD extension cable with one LED
- Stable system case with molded foam

For the functional diagnosis an active WOW! LOOQIT software license is required. With the WOW! Vehicle Diagnostic, you always remain at the optimal state of the technology, among other things through the WOW! Security Gateway Portal (SGP). The full use of the WOW! Software is only possible with a valid software package.

We recommend the Expert Data Assist software package – for full access to Power Repair and a flat rate for additional unlimited hotline support\*.

Further information is available at  
[www.wow-portal.com/diagnostics](http://www.wow-portal.com/diagnostics)  
 or directly from your Würth or WOW! contact person.

## Features

**Mobile and comfortable work in the workshop due to a battery life of up to 18 hours.**

**Robust and easy to handle due to slim and extremely robust magnesium housing with carrying handle.**

- Protected against dust, dirt and splash water
- Fall-resistant up to a height of 91 cm
- Vibration and shock resistant for vehicle docking

\* Hotline support is only available in selected countries.

# WOW! DIAGNOSTIC SYSTEM DIALOOQ L40 GEN45
